6. In letter No 16873 / L.F. 42-01 dated the 15th April 1902, the Chief Engineer was requested to state whether the Dewan's order directing that the cost of improving the frontages in the Pleasure Palace road should be recovered from owners of houses by small easy instalments was communicated to the Deputy Commissioner , and whether he was requested to take agreements from the persond concerned for repaying the cost.

In reply the Chief Engineer stated that needful

Letter No 2314 dy 23.4.02,

needful action was taken by the Sanitary Superintending Engineer .

8. A further sum of Rs 4063 was ordered to be placed at the disposal of the Superintending Engineer of Sanitary works in Memo No 18121 / Mis 2676 dated the 13th May 1902, the total cost of the project sanctioned by the P.W. Secretary amounting to Rs 6063 .

9. The Comptroller now solicits instructions as to whether this sum of Rs 4063 should also be treated as an advance to the Municipality , and if so , as to the terms under which it should be recovered (Vide letters Nos 7453 / 1293 and 744 / 119 dated the 3rd June and 1st August 1902) .

10. The Dewans order is that " the cost should be transferred to the Municipality for recovery by easy instalments from the owners " . The total cost that has to be transferred is Rs 6063. Orders have to be issued specifying the terms of recovery of this amount from the Municipality.

11. In the slip (serial No 13 attached to this note) the Secretary observes that the Palace has paid Rs 1500 or so for repair of Hill view and that owners have agreed to pay except about Rs 150 due for white colour washing which has to be written off for profit and loss.

12. The P.W.D. file of papers contains reference from the Sanitary Superintending Engineer to the address of the Chief Engineer No 956 / 203 dated 6th May 1902 from which the following particulars are gathered .

(1) The project for Rs 6063 sanctioned for the improvement of the Pleasure Palace road is (/) for Rs 910 for improving the drainage of the locality and (2) for Rs 5153 for improving frontages of houses in the road.

(2) Out of the latter sum of Rs 5153 the cost (Rs 1817) of frontages , to 2 Temples and wall for Cooppanna's garden which in the opinion of the Palace Comptroller forms part

of the City Improvements is irrecoverable . The balance of cost viz Rs 3336 may be classed as shown below .

(1) Sums to be recovered immediately from the Palace and Therovangada Modaliar . . Rs 800

2) Sums recoverable from owners of 3 houses who agreed to pay out of sale proceeds of their houses, frontages remaining as Government property till sales are effected. 717

(3) Sums to be recovered from 13 owners, of whom some executed Moochilikas to pay cost in 4 instalments 1819

3336

13. The Dewan , to whom the paper was submitted recorded the following order on 14-5-02

"As the money has to be recovered by the Deputy Commissioner and the Municipality , it is always desirable that their verification should be obtained in the form of countersignature etc . This may be obtained in this instance also". The file does not shew the action taken in the P.W.D on this order .

14. May information be called for on the following points.

(1) Whether the sums referred to in item 1 of Rs 704 due from the Palace for the frontage of 'Hill view' and Rs 96 due from Theroovangada Modaliar , expected to be recovered immediately have been actually recovered and credited and if so, under what head and when .

(2) Whether all or any one of the owners of 3 houses referred to in item 2 , who are too poor to pay the cost of frontages sold their houses and paid the cost of frontages built to their houses.

(3) Whether all the 13 owners of the remaining houses , of whom some were reported to be absent from the town , (referred to in item 3) have executed Moochilikas and if not how many are still due and what steps have been taken to obtain them It should also be reported whether the 1st Instalment due by all these 13 men has been recovered and if not what is the

the date fixed therefor and when will it be recovered .

Whether anything has been spent by the Palace for repair of 'Hill view' if so how much , and how is it proposed to be recovered and whether the total amount of the estimate submitted by the Superintending Engineer includes this item.

Intd H.R.

15/12/1902

15 The above information was called for in Docket No 0(14. 10633 / L.F. 42-01 dated 10th January 1903 .

F 8215 In letter No 140 dated the 28th January 1903 the President has submitted information as follows :-

(1) In regard to the amounts to be recovered from the Palace and from Tiruvengada Modliar , he states that there was no requisition from the Sanitary Engineer's Department to collect the amount from the Palace , that, as far as the Vice President is aware, Tiruvangada Moodliar built the frontage to his house at his own cost according to the plan given to him by the Sanitary Superintending Engineer, that accordingly these amounts were not collected and that the Palace Controller will be addressed to pay the amount due from the Palace.

(2) As regards the recovery of the cost of frontages to 3 houses by sale of those houses, he says that the owners have not sold their houses, that, according to the Vice President's report , when the Mutchalikas were drawn up it was understood that the cost of the frontages should be regarded as the first charge on the property and that it should only be paid when the property changed hands.

(3) In regard to the 13 houses referred to in the docket he says that all excepting Subba Rao have executed Mutchalikas in terms approved by the Sanitary Superintending Engineer and that Subba Rao's whereabouts are not yet ascertainable.

(4) In reply to the query whether the owners of the above mentioned 13 houses paid the amount, the President states that no instructions were received by him in regard to the recovery of the cost of the frontages.

(5) And in reply to para 5 of the Docket, enquiring whether any money has been spent by the Palace for repair of "Hill view" he states that according to the Comptroller's communication, "Hill View" bungalow belongs to the Palace and that a sum of Rs 5-8-0 was spent on it in December last in excess of Rs 704 included in the estimate submitted by the Sanitary Superintending Engineer.

the amount viz, Rs 6063 + Rs 405-2-6 = Rs 6468-2-6 advanced for the work should be adjusted. In Letter no. 106 dated the 9th December 1902 the President has submitted the resolution of the Board approving of the report of the Sub-Committee consisting of Messrs. Thoppa Narasimhaswamy, Srikantiah Avniah Pandit, Venkatakrishnaiya and Srirangada Mudaliar, who suggested that in view of the reasons mentioned hereunder, the Government might be requested to make arrangements for recovering the cost of frontages other than by charging the amount as a loan to the municipality, to be recovered by the municipality from the ~~owners~~ owners of the several properties. The reasons adduced are:-

(1) The municipal Board was not consulted with regard to the desirability of erecting such frontages and the whole work was planned and executed

any reference to the opinion of the Board"

(2) "By the proposed arrangement the municipality clearly becomes liable for all amounts which it fails to recover from the owners of the various sites and in any case required to defray the cost of the frontages which are not claimed as private property".

(3) The erection of elaborate frontages being of limited and doubtful benefit is not a legitimate charge on municipal funds which are urgently needed for the improvement of the sanitation of the City and other Public Works

23 As in his first order dated the 9th January 1902, the Governor has been pleased to say that the Cost should be transferred to the Municipal

† A Sl 1.

for recovery by easy instalments from the owners, it is a point for consideration whether the amount viz Rs 6461 spent by Government on this account should be merely transferred to the Municipality for recovery from the owners keeping the amount under the head "Suspense" or whether it should be treated as a loan to the Municipality. The Board's representation against adopting the latter course seems, however, to deserve some consideration & has caused us to hesitate.

Submitted for orders.

11/8/03 — 12/8/03

To the Dewan,
through the 2nd. Councillor.

For the cost of ornamental frontages, the Board cannot claim repayment. Recoveries should be credited on 11/8/03 the balance written off.

20.2 agree - Please place this before the Dewan for orders -

12209/14.VIII.0

13/8/03

25 Government - that I meant by a loan - the Municipality will recover - and adjustment may be made out of such collections

Mysore City

R.L 1168
10633 dt 10/1/03
L+42-0/

Letter no 744/119 dated the 1/4th August 1902 from the Comptroller in Mysore in regard to the adjustment of the amount of Rs 5153/- spent in improving the frontages of the Pleasure Palace Road at Mysore

---

From the Same
14th dt 29/1/03

With reference to the above had the honour to ~~request~~ observe that the following facts have been gathered from the records of the D.P.W. Secretariat

Out of the said sum of Rs 5153/- the Cost (Rs 1817) of improving the frontages of two temples and the wall ~~of~~ for Coopparma's garden which in the opinion of the Palace Authorities forms part of

City Improvements is irrecoverable. The balance of the cost is classified as follows:-

(1) Sums to be recovered immediately from the Palace - - - Rs 704

(2) Do from Kinnerpada Mudaliars - - 96

(3) Do recoverable from owners of 3 houses who agreed to pay out of sale proceeds of houses, the frontages remaining Govt. property till sales are effected - - - - 717

(4) Do to be recovered from owners of 13 ~~owners~~ houses, some of whom have expressed Mudaliars to pay the cost in 4 instalments - 1819

Total: 3336

~~With reference to the above~~

Request that the President will be good enough to furnish information on the following points:-

(1) Whether the sums Rs 704

Rs 96 referred to in items (1) & (2), which were expected to be recovered immediately have been actually recovered and credited, and if so, when and under what head

(2) Whether all or any of the owners of 3 houses referred to in item (3), have sold their houses and paid the cost of frontages built to their houses.

(3) Whether all the 13 owners ~~of houses in arrears~~ of the remaining houses, of whom some were reported to have been absent from the town, have executed mutchalikas and if not, how many are still due and what steps have been taken to obtain them

(4) Whether the first instalment due by all these 13 men has been recovered and if not what is the date fixed for payment and when will it be realised?

(5) Lastly, whether any of the

has been sent by the
Palace for repair of the
view; if so how much [and
how is it proposed to be
recovered. and whether the
total amount of the
estimate submitted by the
Superintending Engineer in-
cludes this item.]

FILE NO.

SERIAL NO. 9

THE CITY MUNICIPAL OFFICE,
MYSORE.

No. 140

Dated the 28 January 1903

From

B.K. Venkatasvarada Iyengar Esquire
PRESIDENT, CITY MUNICIPAL COMMISSION,
MYSORE.

To

K.V. Ranganadayyah Esqr. the Asst Secy
SECRETARY TO THE GOVT. OF MYSORE,
in the REV. & GEN. DEPTS.

Sir,

With reference to your no 10633/27 42 1901 dated the 10 January 1903 in regard to the adjustment of the amount spent on improving the frontages of the Pleasure Palace road in Mysore, I have the honor to state as follows.

2. In regard to the amounts to be recovered from the Palace and from Mr Divivengada Medalion, I beg to state that these

was no requisition from the Sanitary Engineer's Department to collect the amount from the Palace. As regards Mr Dissanayaka Mudaliar, as far as the Vice President is aware his frontage was built by him at his own cost according to the plan given to him by the Sanitary Superintending Engineer. These amounts were therefore not collected. The Palace Controller will now be addressed to pay the amount due from the Palace.

3. In regard to the query whether all or any of the owners of these houses who agreed to pay out of the sale proceeds of houses the cost of frontages, I beg to state that they have not sold their houses. The Vice President reports that when the Muthahalikas were drawn up it was understood that the cost of the frontages should be regarded

as the first charge on the property and that it should only be paid when the property changed hands. None of these has paid the cost of the frontages.

4 In regard to the query whether all the 13 owners of the remaining houses have executed mutchalikas, I beg to state that excepting Subba Rao, all others have executed mutchalikas in terms approved by the Sanitary Superintending Engineer. Subba Rao's whereabouts are not yet ascertainable.

5 In regard to para 4 of the Government order under reply, I beg to state that no instructions were received from the Sanitary Superintending Engineer in regard to the recovery of the cost of the frontages.

6. In regard to para 5 of the order under reply, the Palace Controller

in his no 609 dated the 23rd January 1903 states that the "Hill crest" bungalow belongs to the Palace and that a sum of Rs 5-8-0 was spent on it in December last in excess of Rs 704/ included in the estimate submitted by the Sanitary Superintending Engineer for its repair.

I have the honor to be,
Sir,

Your most obedient Servant

President
City Municipality Kandy
